

Appendix I - St Cyriac, Lacock

- Please contact Nancy Newman (nancy@thatchcottage.lacock.com or on 01249 730398 or 07716 312459) to discuss your floral requirements. If you are bringing flowers into the church, it would be appreciated if you could leave them there for the Sunday service.
- Our regular organist is Miss Fiona Draper, tel (01249) 448362, although we do have a number of other people who play for us at weddings when she is not available, all of whom are familiar with and fully competent on the most popular choices of wedding music. Please contact Fiona in the first instance to discuss your musical requirements.
- Our full choir is available for weekend weddings; if your wedding is midweek we will do our best to provide a choir and will confirm whether or not this is possible.
- Our bell ringers will usually be available for weekend services, but we cannot guarantee this for midweek. Please indicate your requirements on the booking form.
- The sound system at St Cyriac's is the best in our team and most suited to supporting a modern worship band as an alternative to organ music.
- Being a popular tourist destination causes a few issues for large gatherings in Lacock! Car parking in Lacock village is very limited: cars for infirm guests and those delivering the wedding party can drop people at the church gates, but will need to park elsewhere. The bridal car may loiter during the ceremony but may need to move for local residents' access. Your guests should be encouraged to park in the Red Lion car park (donations) or the National Trust car park (free to NT members) rather than parking on-street or in front of yellow 'Residents' signs. On the plus side, your service will gather lots of attention from residents and tourists alike and you can expect a large crowd of spectators and well-wishers when you emerge from the church.
- There is a toilet inside the church. We have a room upstairs with toys for babies, which acts as a self-service crèche and private baby feeding/changing area, where an audio feed of the service is relayed. We also have an area at the back of the church with books and toys for young children.
- The church holds in excess of 250 adults.
